

Introducing ISBA Mutual

We're different from other insurance companies...

...we're a mutual insurance company owned by our policyholders. ISBA Mutual was created by Illinois lawyers 30 years ago with the sole purpose of serving Illinois lawyers. And it's not simply lip service...we're available to you when you need us...we *pick up our phones!*

Our policyholders have direct access to any member of our staff including Underwriting, Claims, Sales and our President, Jeff Strand.

We get that running a law firm entails risks. That's why we're the #1 choice of Illinois lawyers for Lawyers' Malpractice insurance and the *only* insurance company endorsed by the Illinois State Bar Association.

Always Proactive.
